

Press release - January 2006

Reinforced position in the international graphical industry
Grupo Portucel Soporcel presents
innovations at Intergraphic 2006

The Portucel Soporcel group's most innovative products in the Offset and Office segments will mark their presence at the 26th Intergraphic fair, one of the graphic industry's most important European events, to be held at the Porte Maillot Palais des Congrès in Paris, from 10th to 12th January 2006.

In the Offset segment is the new Pioneer Graphic range. Developed to meet the demanding requirements of the graphical sector, the two products of the range are Pioneer Pre Print, available from 80 to 160 g.m⁻² and Pioneer Offset, available from 60 to 350 g.m⁻².

An innovative Soporset catalogue will be presented in this year's exhibition. Aimed at reproducing a wide range of printing jobs for the business world, this new reproduces those jobs, from stationery to advertising material but also suggests the ideal type of paper for each application (Soporset Premium Offset or Soporset Pre-print), as well as its respective grammage.

In the same segment, the Inaset range will make its mark with the Inaset Plus Offset and Plus Laser products, once more reaffirming its link with art and demonstrating the unique printing qualities that have enabled it to assert itself as a reference Premium brand in the European offset segment.

In the office paper segment special mention to the renewed and enlarged Inacopia range, with its wide portfolio of solutions from 80 to 160 g.m⁻².

The Navigator and Pioneer ranges will make their mark with the new Navigator 160 g.m⁻² Office Card and Pioneer 160 g.m⁻², known for their high quality consistency, required to produce invitations, certificates, diplomas and covers, thanks especially to its high thickness and opacity.

Also present at the group's stand will be the Discovery and Multioffice brands for the Office segment.

This prime venue, which unites all the graphic industry's major economic agents, is expected to attract around 250 exhibitors and thousands of visitors, many of whom will visit Stand M120 – grupo Portucel Soporcel stand.
